Sunday, July 4th

Week of July 12

I sat down at my computer to write a pastor's page for the July/August newsletter and, to be honest, my mind was completely blank. After a while of nothingness, I decided to do an internet search of other pastor's pages and see if I could find some inspiration. However, I came up empty. I even feel somewhat empty.

Writing a pastor's page can be a lot like life in general. Sometimes I feel inspired and excited about my faith and life. Other times I may feel uninspired and maybe somewhat empty. But, when that happens, I know the problem is not with the Lord but with me. The Lord is moving. The Lord is redeeming. The Lord is transforming. I just am not seeing it at this moment in time. All I see is the mundane view of life we encounter in Ecclesiastes 1: "All the rivers flow into the sea, yet the sea is never full; to the place from which the streams come, there again they flow. All things are wearisome, more than one can describe; the eye is not satisfied with seeing, nor the ear content with hearing. What has been will be again, and what has been done will be done again; there is nothing new under the sun" (vv. 7-8).

In the book of Lamentations, Jeremiah reminds us that there is ALWAYS something new under the sun! He reminds us that "because of the Lord's great love we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness" (3: 22). Wow! If that doesn't get me excited, I don't know what will? As I typed those words, I had a great idea: I went to Youtube and just started listening to some praise music. The empty feeling is being transformed into a feeling of fullness as I am listening. So, I am going to quit writing and just start listening and enjoying.

*Love and Blessings, Pastor Tom*

## **DAMSELS' DISTRESS....MUTED MIRACLES**

Study Verses: Gen 9: 4-6; I Kings 22: 35; Matt 27: 24; Rom 3: 25; I Pet 1: 5; Heb 9: 14; Eph 1:7; Lev 17: 11; Mark 5: 25-43

Some years ago I penned a well received lesson titled: Life is in the Blood. The central theme was purposed to explain God's vital concern for His people to understand and cautiously handle blood, animal or human. Envision the essential Blood Covenant. Explicit ceremonial Jewish law foreshadowed Jesus' shedding of His precious, innocent blood on Calvary, to redeem all lost souls who reach out in faith. Exclusively, our eternal life is found in the flowing crimson stream Jesus Christ lovingly gave up. "And this is life eternal...". In the original lesson and the later expanded version, a brief paragraph was given to address the miraculous healing of a woman with a serious blood disorder. It deserved much greater coverage.

"The Miracles", is a beautiful verbal mural of several of our Lord's compelling signs and wonders, authored by Pastor Gary Inrig. For the greater part, the following section comes directly from Pastor Inrig's well researched account of Jesus' earthly ministry. Extracted from the preface to his conclusion in form of quotes and paraphrases, I made effort to harmonize his broad collection of inciteful statements. Hopefully, the stage will be set for greater appreciation of "The Promised One". Jesus, the Christ came forth from the Father to serve and to save.

The term *miracle* can be used "to describe an extraordinary, unexpected event, a special grace, an answer to prayer". In the Bible, miracles are indeed varied, but contain common qualities. Inrig asserts God can work in unique ways to "present and sustain His universe, when naturalistic explanations are finally inadequate". Miracles are not permanent changes to natural ways. The Creator of all things decides when, where and what manner! At times "intentionally provocative" (Sabbath healings), there was never a "trace of jaw-dropping, supernatural stunts" displayed in any Jesus miracle. Rather you will sense acts of profound compassion and mercy for whatever the need, for Jew or Gentile, for the worthy or not." The primary purpose of the Lord's miracles was to authenticate His true identity and His divine message. Jesus didn't just do miracles, He was a miracle.

### **SUFFERING, SORROWFUL & SECRET**

Capsule Lead-In: Jesus and the disciples had returned from an arduous journey to the eastern shore of the Sea of Galilee, hostile territory that was thought to be a training exercise for future mission expeditions. Dangerous, difficult but deemed necessary. On this trip, Jesus displays Lordship over the forces of nature (calming of the killer storm), and the powers of darkness (freeing a severely demonized man). Jesus had reigned supreme! His followers understood more; the large curious crowds in Capernaum clamored for more upon hearing what had transpired. Could he...would he help them? It was not a question of why Jesus "healed", but who and when. While still on the shore a very large crowd gathered around Jesus and suddenly a man, identified as Jairus fell at His feet, imploring Jesus to follow him home to "lay your hands" on his deathly sick twelve year old daughter. He believed that then she would be well and live. Jairus, an influential lay leader of the local synagogue, had likely crossed paths with Jesus at worship many times. As a supporter of the Scribes and Pharisees, it may be presumed that all was not cordial. But now controversies seemed utterly irrelevant. Jesus followed Jairus, pressed on all sides by a parade of the curious. The social standing of the seeker was not a factor for Jesus. It did, however, impact the predominately Jewish crowd.

(Continued on next page)

“And there was a woman who had a discharge of blood for twelve years, and who suffered much under many physicians, and had spent all she had, and was no better but rather grew worse. She had heard the reports about Jesus and came up behind Him...and touched His garment”. As suddenly as it began, the healing journey for an important man’s beloved daughter came to a jarring halt due to the secret, subtle plan of a no-name! It is doubly important to grasp the “why and how come” of this mysterious, stealthy woman. If discovered in this sea of people, she not only faced great shame, but was in serious danger. Her persistent reproductive discharge for so long a period created a weakened, debilitating condition leaving her impoverished, ceremonially unclean and thusly shunned and alone. Hopeless, helpless and desperate, she hears of this Jesus person and quickly devises a ***get-in-and-get-out-plan***. It works...except for her get away. “...the flow of blood dried up, and she felt in her body...she was healed...Jesus perceiving that power had gone out from Him, immediately turned about...and said, ‘Who touched my garments?’...the woman knowing what had happened to her, came in fear and trembling fell down before Him and told Jesus the entire truth. He said to her, Daughter, your faith has made you well; go in peace, and be healed of your disease”.

### RESURRECTION POWER

Certainly the prominent leader Jairus was not pleased with the delay caused by the surprise miraculous healing. This was to be his daughter’s planned healing. Word had arrived she had died. Jesus told Jairus “do not fear only believe”. Upon arriving at his home with Peter, James and John, Lord Jesus put scoffing mourners outside and spoke “Talitha cumi”. The girl arose, walked and ate. Love, truth and action define your Lord and mine.

Amen

*Thank you for all of the cards, kind words, and gestures since the sudden passing of our dear Jim. What a comfort to have support from our loving church family. We also appreciate the donations to Alpha Omega/Promise of Life Network. He was planning on the May 22 Walk For Life, as he had in past years, so we thought it was a great way to honor him.*

## **MAKE PLANS NOW FOR THIS SUMMER'S AMAZING TREASURED VBS ADVENTURE!**

We had so much fun last year (and packing 125 kids plus adults into the multipurpose room is still a little dicey with COVID still hanging around), we thought we'd do our "drive-in" VBS one more summer! God gave us such an amazing week in July last year, we are trusting Him again for great weather—it can't hurt to start praying now!!

Here's the plan so far—it's always in process!!:

- ♦ This will be a "Drive-In VBS" for the whole family! Grandparents are invited, too! We will have a stage—with sound system—set up outside in the back of the school building. We will guide you to your parking spot!
- ♦ There will be two—2 evening sessions, from which your family will choose one: Monday-Wednesday (July 12&14) or Tuesday-Thursday (July 13&15)
- ♦ If you want to bring bag chairs/folding chairs to sit outside the car, you may do that. Because of the changes toward more openness, we will probably be able open up a little bit more! Yay!!
- ♦ Each night, every family will receive a supply pack with items needed to follow along!
- ♦ Each family will receive a Treasured VBS CD free!
- ♦ See the Treasured VBS website-now for registration, FAQ's, t-shirt colors

We hope you and your family will join us for Treasured VBS
