Ladies' Tea

...a quick study of God's edifying Word by R.J. Baker.
Discover the truth and promises intended for every believer.

SIN...UP CLOSE AND PERSONAL

(Revised and Expanded Previous Lesson)

Study Verses: Matt 5: 22; 6; 12-5; Psalm 119: 160; I John 3: 1-15; Romans 1: 32; 5: 21; Eccl 7:29

“Behold what manner of love the Father has bestowed on us, that we should be called children of God,” From holy scripture...*Unconditional Love, Sacrificial Love, Personal Love.* “Little children let no one deceive you. He who practices righteousness is religious. He who sins is of the devil, for the devil has sinned from the beginning. For this purpose the Son of God was manifested, that he may destroy the works of the devil.” John succinctly explains God's determined plan!

We come to Jesus Christ because of compelling need. This need becomes predominate when guilt charges us with crimes against God's moral law. Spiritual certitude and Holy Scripture mercifully warns that rebellious mankind faces an eternity lost in sin. Without grasping the grave consequences of each trespass, why would we ever be concerned with issues of right or wrong? Gospel truth is reduced to myth status by a sin-sick secular world. Adversaries mock Jesus, and for the most part ignore immorality except when exposure threatens their contrived agendas. Godless government leaders and religious extremists brazenly declare what is acceptable behavior. Judo-Christian principles are often violently confronted. Regardless, repentant Christians may live today and face tomorrow with confidence, resting fully upon God's grace. That grace and the true sin solution is found in a Lord and Savior infinitely greater than sin. Christians must always be-at-the-ready to boldly proclaim God's perfect plan of redemption. That is good news!

Mankind was created “morally upright, inclined to do good”, provided with free will by the Almighty. Adam and Eve were capable of choice: love God and obey His life sustaining commands or reject them and proceed in rebellion. Sin severely infected the human spirit the moment man fell prey to temptation. Advancing generations continue to suffer from Satan's guile. We are born into transferred sin.

There are those trapped in the deception that if “I” am not guilty of murder, bloody assault, robbing a bank, or stealing my neighbor's car...why should the label “sinner” apply to me? Jesus taught that if we simply harbor thoughts of lust, covetousness, or slander...it is no less a serious moral breach. May anyone then presume they have never sinned in **thought, word or deed?**

New Testament Greek is such a wonderfully explicit language employing terms concisely connoting spiritual principles. Consider five specific words describing **sin** with microscopic clarity.

- * **Hamartia**...wasted talent, time or opportunity; a missed target
- * **Parabasis**...crossing over from right to wrong; distorted truth
- * **Paratoma**...impulsive slipping into evil; caught off guard
- * **Anomia**...intentionally defy God's law; know right...go wrong
- * **Opheilima**...failure to fulfill duty; avoid paying debt

“Forgive us our debts as we forgive our debtors.”

Amen

FROM
THE
PASTOR

I'm Excited!

As I said in my sermon a couple weeks ago, The Vision Team "gets it."

What do I mean by that?

First, when you bring a group of people together, one is never certain about the dynamics of the group. It is your hope that people mesh and can work together, but one never knows until the group meets.

I'm delighted that the members of the Vision Team mesh well together.

Second, The Vision Team understands its job and purpose. Often when transitional pastors start with a Vision Team – the members of the team get focused on "Church Programs." Visioning is not "program development" Visioning is defining who God calls us to be and to whom we are to carry our mission to. Vision Teams create the mission statement, define the mission fields, and determine the process and movement of people in the faith community to develop spiritually and to create the movement for people to become disciples of Jesus.

Third, your Vision Team can "Think outside the box". The team can think of new ideas, listen to new ideas, and are willing to risk trying something different – is everything going to work - mostly likely not, however we will learn from those ideas and seek to improve on new ones.

Finally, the Vision team wants to do it right! In discussion with The Church Development Committee of the Presbytery of the Alleghenies, and my Transitional coach, both believe that forming the PNC by July was overly optimistic and stressed the importance of **NOT** rushing the Visioning process. In explaining this to the Vision Team they completely agreed and stressed that they be allowed to complete the Visioning process. Consequently, the forming of the PNC will be pushed back to allow the Vision team to complete their work.

Exciting things are coming down the line for the Church, HIS Kid's School and our Community.

Please keep us in prayer!

*Grace and Peace,
Pastor David*

June 16-20, 2024

Only a month and a half 'til we dive in!!!

At SCUBA VBS, kids will dive into friendship with God. SCUBA is filled with awesome Bible-learning experiences kids see, hear, and touch! Hands-on science experiments, team-building games, unforgettable Bible songs, and tasty treats are just a few of the great activities that help faith flow into real life. There's a new station this year called Sticky Scriptures, which will help words in the Bible stick—to kids' hearts, minds, and lives!! Plus, we'll help kids discover how to see evidence of God in everyday life—something called God Sightings. Each evening will conclude with the Fin-tastic Finale that gets everyone involved in living what they've learned.

Mark down these dates, Sunday, June 16—Thursday, June 20 (5:50-8:30 pm)! Set them aside—commit to them for either your child to attend, or for you to serve, or both!!! Don't let anything else stand in the way of God doing an amazing work in your life this summer!!

NOTES FROM OUR HIS KIDS TEACHERS !

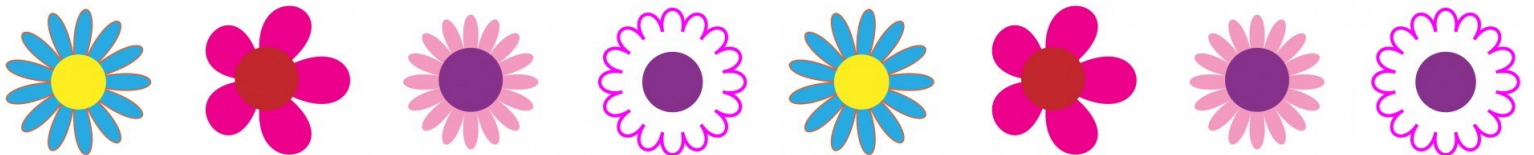

It is hard to believe the end of the school year is fast approaching. The children have all grown so much over the past year and I am proud of all the progress each has made. We will be finishing up our alphabet letters and sounds and putting together our alphabet books. We will be making our Mother's Day cards and gifts and finishing up many spring projects. Our hand-painted garden pots are ready for the Spring Bash and we look forward to seeing all of you there. Thank you so much for all of your prayers and support and we hope you have a very blessed summer.

Mrs. Yamnitsky– Preschool Teacher

Can you believe the school year is almost over already!? This year has flown by, probably because we have been having way too much fun learning! As we come to the end of the year, we are definitely excited for summer break but we still have lots to do before we get there. Our friends are excited for our “summer fun” basket that we are making to be raffled off. Not to mention we are pumped up for the talent show at the end of the year also. Those are a few of the things we cannot stop talking about! We also just had our field trip to the Children’s Museum in Pittsburgh. Some of us it was the first time we had seen the skyline in person! The museum was amazing, crowded, but tons of fun. The “gravity room” was one of our favorite spots in the museum. The gravity room was a slanted room that was near impossible to walk in. The whole day that is all we talked about. As the year comes to an end we are reminded in Jeremiah 29 11, “For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future.

Mr. Mion – Second Grade Teacher

1 John 1:5 states , “This is the message we have heard from Him and proclaim to you, that God is light, and in Him there is no darkness. This is the theme verse for our spring music concert. As I close my first year of teaching at His Kids School, I feel privileged to have been able to share the gift of music with the students, but what I hope I was able to share more was the light of God through music. The children have been working hard learning boom-whackers, recorders, and ukulele’ s so they too can share the light of God through their performances. They are excited to share with you all the songs we have been working on these past few months and tell you about God’s light and how we can share it with others. We would love to have you join us for our concert on May 16 @ 6:30 PM at His Kids Christian School.

Mrs. Horstman – Music Teacher
