Have you been thinking about packing a shoebox?? Operation Christmas Child is around the corner and the **November 13<sup>th</sup>** due date will be here before you know it!! Shoeboxes are available for you in the corner of the sanctuary, outside of the church office. Inside them you will find the brochure describing how to pack a shoebox (i.e., what to pack and what not to pack, as well as “labels” to attach to your filled box. We hope that many individuals, families, and groups will join in the fun of sharing Christmas with a child in another part of the world!!

What if you want to take part in this wonderful ministry but either don't have the time to shop or perhaps physical restrictions prevent you from doing the shopping...

Here's a solution!! For a suggested donation of \$30, we will pack a box for you. Can't afford \$30, donate what you can and we'll combine your donation with others to get the job done. All monies donated will be used exclusively for Operation Christmas Child!! In order to get shopping done and boxes packed by the deadline, please have all donations (checks payable to Summit Church) to the church office **by November 6**. Please mark on the envelope or check “for shoe box packing”.

Thank you!!

Recently I have heard several people talk about how difficult 2022 has been and they have all said that they are looking forward to a new year and they believe 2023 will be a better year. I have to admit that I have also expressed that sentiment as I have watched my retirement savings lose approximately 30% of their value! I keep thinking that I just need to hold on, survive this year and next year will be much better.

As we enter the last two months of the year, I am reminded that the major holiday in November is Thanksgiving and the major holiday in December is Christmas. Over the years I have often wondered why two of the biggest holidays we celebrate are so close together? This year I think I know the answer to my question: Thanksgiving is the perfect preparation for celebrating Christmas!

The Bible connects the idea of being thankful to our relationship with Jesus Christ. 1 Thessalonians 5: 18 says, "Give thanks in all circumstances; for this is the will of God in Christ Jesus for

you." Colossians 3: 15 adds, "And let the peace of Christ rule in your hearts, to which indeed you were called in one body. And be thankful." Regardless of the circumstances of life, we have so much for which to be thankful. We have Jesus Christ, the fellowship of believers and a faith that can move mountains!

2023 will be better but not because my circumstances will be better but because I am ending this year being thankful for my multitude of blessings and the coming of Jesus Christ to bring all of us an abundant life. I have now come to the conclusion that having Thanksgiving and Christmas so close together was a fantastic idea!

*Love and Blessings, Pastor Tom*

## The Absolute Purposes of Jesus Christ

(Revised and Expanded Previous Lesson)

Study Verses: Phil 2: 9-11; Rom 14: 6; 1Cor 12:3; Acts 2: 25-36; Ps 110: 1-2; Gen 14: 18-20; Heb 7: 3, 8:1; 1John 2: 1; 1Pet :5: 8

Sands of time continue to fall, evil and godlessness are determinedly accelerating, just as the Bible warns. Technological development is exploding; hate abounds and mankind increasingly turns to chemical relief. It sounds dire, but there is a way to overcome the world. Jesus, the Messiah, the beloved and anointed Son of God. Identified by many names and possessor of numerous titles, all are forms of worship and praise to project the light of His mission. Yes, Jesus is the Alpha and Omega; yes, Jesus is the Word made flesh; yes, Jesus was the sacrificial Lamb of God and will assuredly return as the Lion of Judah, in power and glory. He was and is everything the Church needs. Permit this lesson to focus upon the embodiment of our salvation, but remembering Jesus' participation with Father God and the Holy Spirit in creation. Is He not also the Good Shepherd, willing to lead, protect, and selflessly lay down His innocent life for those who know and accept Him. All in all, Jesus Christ is love in a sin weary world. The Son of Man's work on earth is perfect and complete. It will persevere to win lost, precious souls.

**LORD OF LORDS** This office of *supreme authority* is conveyed by the Father to exalt Jesus Christ upon His crucifixion, death and resurrection. "A name above every name...one to which every knee in heaven, on or under the earth should bow, and that every tongue should confess Jesus Christ is Lord, to the glory of God the Father". When believers do so, we are enabled by the power of the Holy Spirit. This office continues through the Kingdom Age!

**KING OF KINGS** This is the legal manifestation of God crowning Jesus, the Christ, with the perfect right to rule the Kingdom and fulfill the oath made to King David that a descendent of his would ascend the Throne of the Most High. Jesus is seated at God's right hand by Divine decree, prophesy and birth. His rule is scripturally declared to be eternal and spiritual. David in Psalms prophesies: "The Lord said to my Lord, sit at My right hand, until I make Thine enemies a footstool". There can be no other king with the power and authority of the Son of God. By the Father's will even the angels are at Jesus' command. His rule enables the redeemed to be joint-heirs of the Kingdom. He holds a sceptre of iron...symbolic of unmatched strength and dominion.

**HIGH PRIEST** "After the Order of Melchizedek...not Aaron", emphasizes that Jesus was called to this office for purpose not glory. Jesus, as with Melchizedek was a Priest of the Most High, perfectly righteous and independent of human lineage. Necessarily, our Lord took on the "seed of Abraham" feeling sympathy for our weaknesses. Like no other, Jesus' Priesthood is eternal. A sinless Jesus is the one mediator between God and man, allowing the redeemed to come before the Holy Father. The shed innocent blood of the Lamb is the great price paid (propitiation), demanded of man to be free from suffering and death. We are accepted by God as apostles, just as He received the law fulfilling Son of Man!

**ADVOCATE** During his desperate remaining time, our adversary Satan, accuses believers before GOD in heaven, day and night. It is written..."If anyone sins, we have an Advocate with the Father, Jesus Christ the righteous". Jesus, our risen Savior and the Holy Spirit, God's power unto salvation, form an overwhelming Defense Counsel, refuting the bent-on-hell prosecution of pure evil. Truth and justice will prevail into eternity!

There is none like this **SON OF GOD...SON OF MAN**. Look no further once you've found Jesus!

Amen

## CHILDREN IN WORSHIP:

There is now a Children's Church time at Summit Church. During the Worship hour, all children are a part of the worshipping community through the children's sermon time. After the children's sermon time, children, ages 3 years through 3rd grade, will be invited to leave the sanctuary with Carol and come together downstairs for a children's worship time. We sing songs, hear a Bible story, and take part in an activity centered around the Bible story. Of course children of all ages are welcome to stay in the sanctuary for worship.

## SUNDAY SCHOOL:

Here's where we are currently:

### Adults:

### Women's Class:

Joanne Huff and a number of women have been gathering after worship for a number of months now—new friends are always welcome!

### Video Class:

This class would meet in the sanctuary and use videos from RightNow Media. If someone would like to step forward to facilitate the group, Carol will help find the videos.

**Youth:** Andrew Moyer will be teaching this class—starting out with youth 6th-12th grade. Join Mr. Moyer downstairs in the last room on the left of the CE wing.

**Children:** Let Carol know if there is interest in a class(es) for this age group and if there is interest in teaching!

**Let's Get Together!**

**6th—12th grade**

**This Sunday, Nov. 6**

## Shoebox Shopping and Snacks!

Meet at the church at noon and we will head out to go shopping for Christmas shoebox items! We have money that people have donated for us to fill up boxes, so we need to shop! If you would like to add some money to what we can spend that would be great! Bring some money for a lunch stop at McDonalds!! We will need some adult drivers for this excursion, so please let Carol know if you can help out. Students, if you are planning on going, let Carol know by Saturday night so we have enough drivers. You can text Carol at 724-679-0326.

We can talk about what other things you would like to do, but for now plan on getting together on the first and third Sundays of the month!!

## ***Looking ahead to Angel Tree!***

Our Angel Tree will look a little different this year, but we can all still help to provide our Food Bank kids with a special Christmas. Instead of having anyone go out to shop for presents, we are inviting you to donate toward gift cards that will be given to each child. A suggested donation is \$20-\$25, but you may do whatever you are able. Beginning the end of November, there will be a special box in the sanctuary for your donations; or you may send in a check made out to "Summit Church" with Angel Tree on the memo line. All donations must be received by Sunday, December 11 for December Food Bank distribution. Any questions, please contact Carol Novy. Thanks in advance for your kindness!

## NOTES FROM OUR HIS KIDS TEACHERS !

Hello, I am Marlee Osche! I am very excited to be teaching your children about music and worship. I also look forward to meeting you all. A little bit about myself; I am a wife and mother. I have two boys, Maverick (4) and Emmett (2). We attend church at Butler Community Alliance where I serve on the worship team and as a youth worship team mentor. I have always had a passion for music and God, so it only made sense that I pursue a degree in worship ministry. I am currently enrolled at Liberty University finishing my Bachelor's in Worship Studies, and I have an Associates Degree from Butler County Community College. Thank you for allowing me the opportunity to work with your children and I look forward to watching them grow as musicians and worshippers!

*Mrs. Osche – Music Teacher*

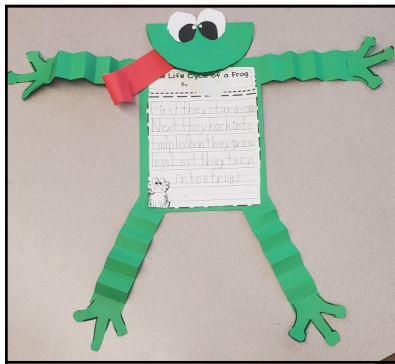

Wow, it's November already. Third graders have had their heads in the clouds this whole time. But that's only because we have been learning about our solar system in science. We have learned about all the planets, the moon, the sun, the stars, and what astronauts do up there! We put together some really cool projects that were on display for our open house on Nov. 3rd. We displayed the entire solar system in our room and different constellations in the hallway. They put in a lot of hard work creating their own planet and constellation. I'm so proud of them. We are already in full swing learning about multiplication, in math. Soon we will be breaking down our multiplication by doing flash cards. I am excited to introduce our flash card "Movie Multiplication" program. Before you know it we will be tying in division with the multiplication. We are moving right along with our cursive letters. We almost have all the lower case letters learned. Once that happens, 3rd grade will be writing in cursive a lot more! Speaking of writing, I am at it again. The book process has begun. The class has come up with a topic and we are working on putting the pieces together. It should be a good one this year! Stay tuned for updates. On top of all the hard work we have been doing, they are getting excited for some things coming up. On November 10th, HIS Kids will be having a veterans day program, and then on the 23rd, the boosters always provide us with a wonderful Thanksgiving Feast. It is a great time for the school to come together and give thanks! As we round the holiday season, myself and all of third grade would like to wish everyone a very blessed holiday season!

*Mrs. Maxwell – Third Grade Teacher*

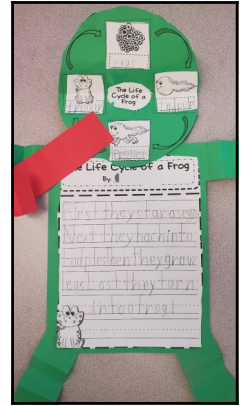

## NOTES FROM OUR HIS KIDS TEACHERS !

Hello from second grade! Well it's been a few weeks now since the beginning of the school year, and I am happy to say we are used to our routines. We have been working on writing true stories, finding patterns while counting, nouns, learning about Moses and his family, and vertebrates. The students are currently working on a craftivity about the life cycle of a frog, so if you are through our halls in a few weeks, you will see our croaking creations! We are gearing up for a trip to our Sylvania property on October 27th! We love going up to the property and exploring the natural world around us! While up there we will be doing fall investigations and it is a favorite for the primary teachers each year :) I have to say one of my favorite things about my class this year is they are so great at creative play! Their imaginations are truly amazing and the things they build, with the items in my classroom, are so cool!

I am always looking for a way to get them to express themselves, in a constructive way, and I am very pleased with how they have been doing! Next time we update you it will be past the Christmas Season, and I can't wait to tell you all the fun crafts we did and biblical stories we explored through that time! Happy Holiday Season and remember Jesus loves you!

*Mrs. Collins – Second Grade Teacher*

October has been a busy month for Kindergarten! In reading and math, learning our sight words and working with numbers to ten have been our biggest focuses. We had an "Apple Day" where we learned about Johnny Appleseed, tasted different kinds of apples, and learned how they grow. We learned about fire safety and firefighters; we even got our own firehats! We also visited Sylvania and did a pumpkin investigation along with other STEM activities on that field trip with first and second grade. We are so excited for Thanksgiving and the holidays to come! Have a blessed week from Kindergarten!

*Ms. Vissari – Kindergarten Teacher*

**-KIDSylvania Korner-**

*The partnership of HIS Kids Christian School and Sylvania Conservation Foundation*

Most of you know that we have partnered with Sylvania in order to give our kids an opportunity to learn and explore in nature. We have access to hundreds of acres of land to hike, trail cams to observe wildlife, honey to harvest from our bee boxes, a fire pit area, pavilion to picnic in and full access to all nature has to offer. Aside from the amazing autumn foliage that is now in its full glory, the property has seen lots of changes over the last few months.

When you enter, you will see new split rail fencing all around the grounds. The entrance has a new sign at both the intersection of 308 and Renick Road and the gate to the property on Mack Road. The open “gate” policy will allow friends and family of HIS Kids to visit anytime and enjoy the fall splendor.

In addition to the new signage at the entrance, there are also additional signs marking the bee boxes, trails and camping spots. New split rail fencing has been installed around the parking lot, camping spots and along the trails. A small kitchen has been added to allow an area to host events. Everything has a fresh coat of paint. There is even a new handicap accessible sidewalk added to make flying planes easier. There are now 3 permanent pilot stations too! Adorning the trees and fence posts, you will see our homemade bird houses made by HKCS students. There are new plants and a stone commemorating the founder.

You will not be disappointed if you take a trip to the property to hike, bird watch or just to enjoy the fall foliage.

I will praise his holy name.*

*Let all that I am  
praise the LORD;  
may I never forget the good

### ***Psalms 103:1-2***

On Fridays at HIS Kids, we spend time singing and praising God during our Chapel Time. The words of the Psalm above remind me of a song we sing called, "Let All That I Am". I love hearing our students sing out and praise God with "all that they are." We do full body singing in Chapel, combining motions with our voices to express to God how much we love Him!

Our Chapel time also helps our students learn to develop a heart of gratitude! So as we approach Thanksgiving, what are we most thankful for?? Look at the next column!

- \* From our wonderful students and incredible teachers/staff to our marvelous base of families, board, boosters, church, and community members—we are blessed!
- \* For those who support us daily through prayer, and the way God answers those prayers everyday—we are blessed!
- \* For those who have responded to God's call on their life to give generously to the ministry known as HIS Kids—we are blessed! Be Thankful!!!

On Thursday, November 10, we will continue our treasured HIS Kids tradition of showing gratitude for local veterans. Students have the opportunity to invite a friend or family member, who is a veteran, to come to a short program in their honor. The veterans will be presented with cards made by the students, who will then perform the song, "Proud to be an American." HIS Kids students are hard at work creating more than 200 cards, which will also be shared with veterans at Concordia and the VA. We've also already sent cards to those in service at Guantanamo Bay, Cuba. Many thanks to HIS Kids aide, Sherry Smith, who coordinates the event each year!
